# ARTICLE GUIDELINES

# INTERIOR PHOTO SPREADS

Double page spreads need to be landscape format 300ppi and no smaller than 45 x 30 cm in size. Also due to the page fold nothing of great importance to photo should feature directly central to the image.

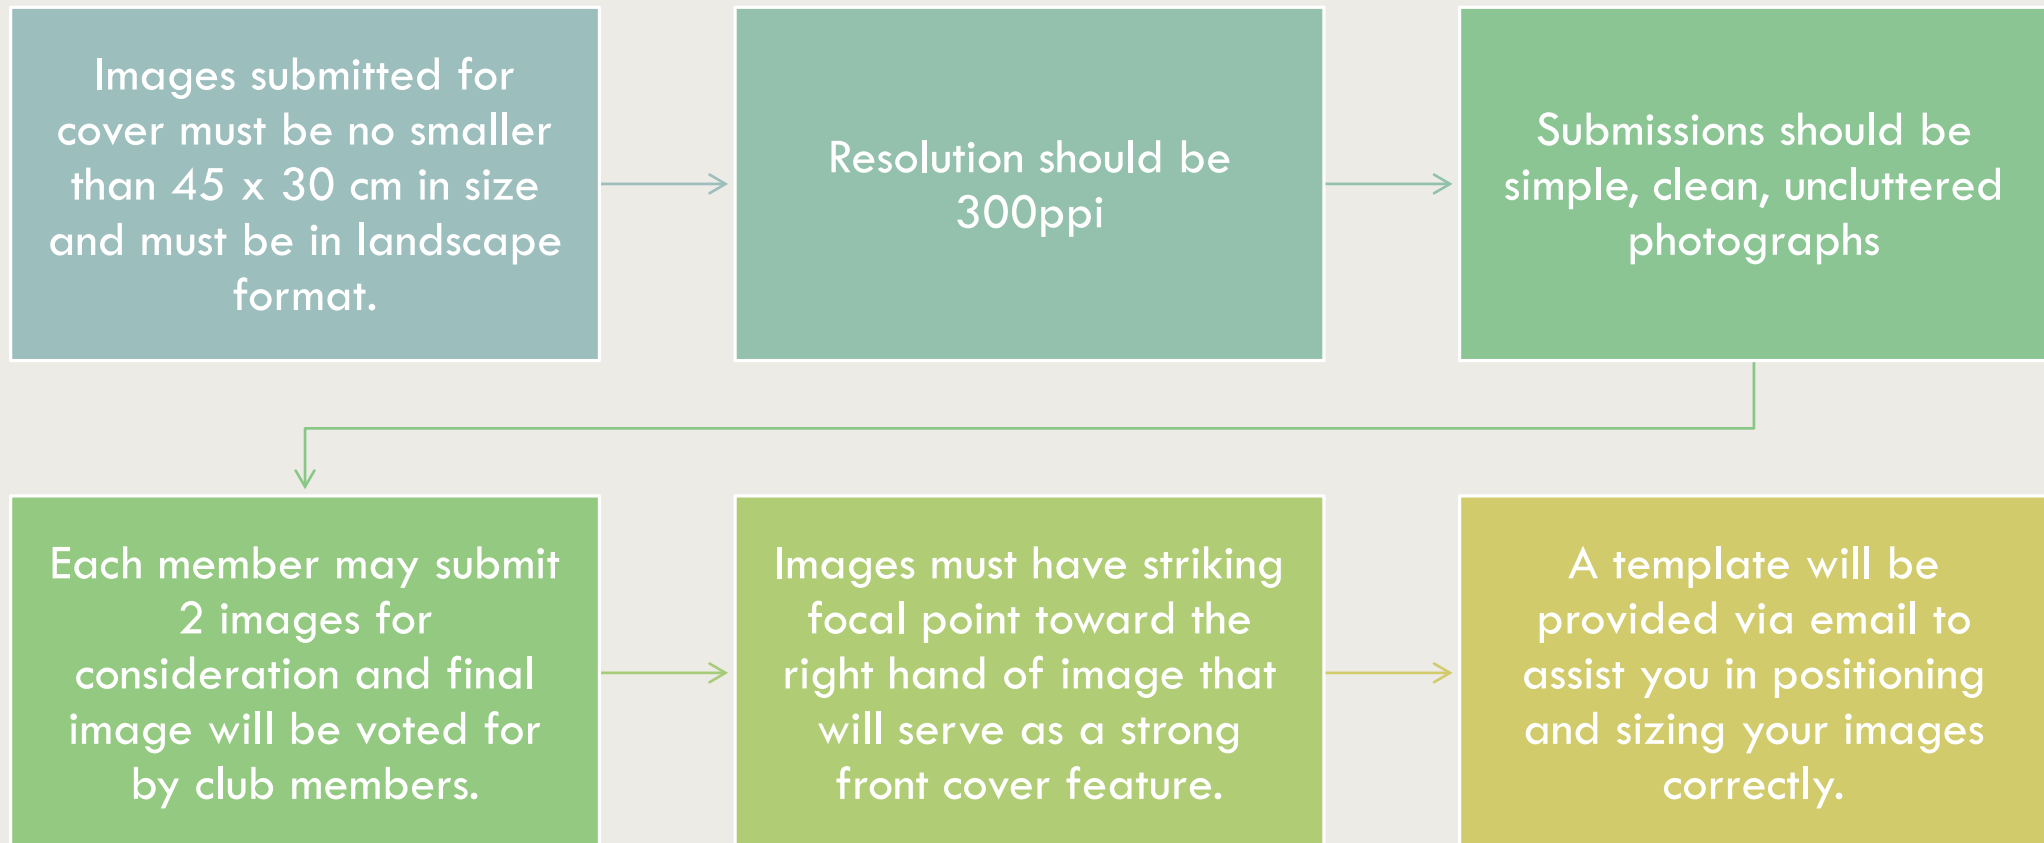

Single page images should be portrait format 300ppi and no smaller than 23 x 30 cm in size.

No artistic nudes, please, as we have no control over the audience.
